Degree growth of lattice equations and maps - Lecture hall: 0.06 (11:30-13:30)

time	title	presenter
11:30	Degree growth calculations for lattice equations	MASE, Takafumi
12:00	Degree growth of some lattice equations defined on a 3x3 stencil	HIETARINTA, Jarmo
12:30	Computing degree growth of birational maps from local indices of polynomials	WEI, Kangning
