Gravitational Wave Probes of Physics Beyond Standard Model 2

Thursday 01 December 2022

Inflation and Primordial Blackholes - ONLINE (14:30-20:10)

Gravitational Waves related to Inflation and Primordial Blackholes

time	title	presenter
14:30	Inflation... numerically speaking	FIGUEROA, Daniel
15:30	Cosmological collider physics: recent progress and challenges	XIANYU, Zhong-zhi
16:00	Gravitational waves induced by scalar perturbations in the early Universe	INOMATA, Keisuke
16:30	Break	
17:00	Spectral distortions as a probe of gravitational waves and physics beyond the Standard Model	PATIL, Subodh
17:30	Inflation-Related Gravitational Wave Signals: Affleck-Dine Baryogenesis	PAERCE, Lauren
18:00	Panel Discussion	ZAVALA, Ivonne
