Collider Signals of Twin Higgs Model through the Higgs and Hypercharge Portals

Friday 13 Sep 2019 at 16:45 (00h15')

Content :

We consider Twin Higgs models and explore the observability of the scalar and neutral gauge sectors at the colliders via Higgs and Hypercharge portals.

Primary authors : Dr. NAJJARI, Saereh (VUB University)

Co-authors : Prof. CHACKO, Zackaria (University of Maryland, College Park) ; Prof. KILIC, Can (Texas University) ; Dr. VERHAAREN, Christopher (University of California, Davis,)

Presenter : Dr. NAJJARI, Saereh (VUB University)

Session classification : Parallel 4

Track classification : --not yet classified--

Type : --not specified--
