

DISCRETE 2016: Fifth Symposium on Prospects in the Physics of Discrete Symmetries

from 28 November 2016 to 3 December 2016
(Europe/Warsaw)
Warsaw
Europe/Warsaw timezone

Bulletin

Conference venue

Ochota Campus of the University of Warsaw
(between Zwirki-Wigury, Banacha, Pasteura streets)

Lectures	<p>Most of the sessions take place at CENT III building; only afternoon sessions on December 1 take place at CENT II building:</p> <p><u>November 29, 30; December 2</u> (CENT III): 9 am –12:30 pm (plenary) and 2–6:35 pm (parallel);</p> <p><u>December 1</u>: 9 am – 12:30 pm (plenary, CENT III) and 2–5:45 pm (plenary, CENT II)</p> <p><u>December 3</u> (CENT III): 9 am – 12:30 pm (plenary) and 2–4:15 pm (plenary)</p>
Special session	<p>The special session devoted to gravitational waves and supegravity will be organized as a part of the DISCRETE 2016 Symposium and the Leopold Infeld Colloquium:</p> <p><u>December 1</u> (Thursday), 2–4 pm at the Faculty of Physics (CENT II building, Lecture Hall 0.06) (coffee and refreshments 3–3:30 pm).</p>
Registration	<p>Monday, November 28, 4–6 pm at CENT I building ; Tuesday, November 29, 8–8:45 am at CENT III building.</p>
Welcome reception	<p>Monday, November 28, 6–9 pm at CENT I building.</p>
Lunches	<p>November 29 – December 3, 12:30–2 pm served at CENT I building.</p>
Conference dinner	<p>Thursday, December 1, 8–11 pm.</p>
Chopin concert	<p>December 2, 8–10 pm, the Staszic Palace, Nowy Świat 72</p>
Internet	<p>Eduroam is available in all the CENT buildings in the campus. Wireless connection in CENT III building: Network: cnbc-pub Password: CNBC_ZwirkiWigury_101</p>
For speakers	<p>Multimedia projectors are available at the conference site. Please send your talks in PDF format using indico well before your session starts. Plenary speakers wishing to enhance their presentations by multimedia features available only on their machines may use their own laptops; please indicate this by sending an email to Wojciech.Kotlarski@fuw.edu.pl.</p>

Travel

arriving by plane

The Frederic Chopin Airport is located within the city limits, 10 km from the city center.

- Bus:
 - to the conference site: line **175** or **188** to stop BANACHA-SZPITAL (~ 18');
 - to hotels: line **175** takes you to downtown hotels (e.g. Polonia Palace, Metropol, Novotel, Bristol, Sofitel Victoria, Harena, Ibis Stare Miasto, Mercure Grand, Dom Chłopa) (~30');
 - To Sokrates guesthouse: e.g. by line **175** or **188** to stop SASANKI (~7') and then by line **189** to stop AL. LOTNIKÓW (~11');
 - To Hera guesthouse: e.g. by line **188** to stop METRO POLITECHNIKA (~26') and then by line **501** or **519** to stop (on demand) SPACEROWA (~8');however, taxi is recommended in the last two cases.
- Taxi: stand is available just outside the arrivals hall. Use certified companies (with a phone number on a car or "radio taxi"). A trip to the city center costs ~40 PLN.
- Train: Line **S2** departs from a station located to the right of the arrivals hall, behind a construction site. Tickets are available from vending machines; there is staff on duty to help you with the purchase and transfer. Trains run to the city center: central railway station, stop WARSZAWA ŚRÓDMIEŚCIE or WARSZAWA CENTRALNA (~24').

arriving by train

Main railway station, WARSZAWA CENTRALNA, is located in the strict city center.

- Tram: to the conference site: line **25** to the last stop BANACHA (~15') or lines **7**, **9** and **25** to stop OCH-TEATR (~10') and then walk to Pasteura Street (along Winnicka Street).
- Bus: to the conference site: lines **128**, **175**, **504** to stop BANACHA-SZPITAL (~10').
- Taxi: Stand is located outside the station, follow the signage on platforms and underground passages. Use only certified companies (with a phone number on the car or "radio taxi"), make sure that the ride is metered and check the rates (must be displayed in the car).
- Walk: Many downtown hotels (e.g. Novotel Centrum, Metropol, Polonia Palace) are within walking distance.

**Prices
and tickets**

Taxi prices vary between companies (~ 3 PLN per km day rate, with 50% late night and weekend surcharge).

Public transport is well developed and reliable. Bus, tram and metro tickets are available from vending machines (English language option is available) at many stops and from newspaper stands. Tickets should be validated in a bus (tram) or at a metro station. Also drivers sell tickets (you need small change).

ticket type	price in PLN
20-min time limit	3.40
75-min time limit	4.40
24-hour pass	15.00
weekend pass (Fri. 7 p.m. - Mon. 8 a.m.)	24.00

There are ticket machines in most of the buses and trams but only validated 75-min tickets are available there.
